NESS. By Dr. Kitto.

"This is a work of great interest, from one of the most learned and accomplished writers of the age, revealing the mysteries of the world in which those live who have been deprived of the sense of sight or hearing. Ever since his boyhood, for more than thirty years, Dr. Kitto has passed a life of great activity as a scholar, in a state of the most intense deafness to which any living creature can be subjected. His account of himself, and of his discriminating remarks on the condition of the blind, (James Mitchell, Laurs Bridgeman, and others,) are replete with profound thought on the interesting phenomenon presented in the progress of their mental training."—Christian Observer.

SELECT Classical & Mathematical School

THE subscriber proposes to open in the city of Washington, on the 13th of September, a Classical and Mathematical School of a high order. For this purpose he has secured a central and very desirable location on the south side of F street, three doors west from 13th.

The number of pupils will be limited to twenty. To these he will devote his exclusive attentien, in preparing them for college or for business and professional pursuits.

It is the design to make this a permanent Classical and Mathematical School, with a number so limited that each pupil may receive a large share of the teacher's attention; and the result of his own experience and that of others convince him that he can in this way accomplish much more for their mental and moral improvement, and for their thorough and rapid progress in study, than can be done in a school of a larger number or of a more miscellaneous character.

school of a larger number or of a more miscellaneous character.

From the views expressed to the subscriber by intelligent persons, it is believed there are many in this city who desire the establishment of such a school at the present time; and all of his energies, guided by his past experience in the instruction of youth, will be devoted to making it, in all respects, worthy of the confidence and patronage of those who may be disposed to place their sons under his charge. Terms, per quarter, 312.50.

Thousands feel it a duty to talk to their afficted friends of the benefit derived from HAMPTON'S VEGETABLE TINCTURE. From day to day we have given the certificates of cures perfermed on our best-known citizens, and still we have a perfect avalanche of letters pouring in upon us—all, all giving a weight of testimony that must convince the most skeptical. All are invited to call and read for themselves. The letter below is from one of the first mercantile firms. To those who know them, it mest carry conviction, and induce many sufferers to give this Tincture a trial:

Porr Royal, Va., July 27, 1852.

**Messrs. Mortimer & Mowbray: Gents: We have again to send an order for more of your truly wonderful Hampton's Vigetable Tincture. Since it was first tried it has sold without an effort, and we have not seen the first person who has not been greatly benefited by its use. A gentlemen of our neighborhood was induced to try the "Tincture" for a vicient palpitation of the heart. He had suffered so much from it that he sold he had prayed for death. He had taken but three doses when he assured us he would not take five hundred dollars for the benefit he had derived, and that he should never cease to remember us with gratitude for calling his attention to so valuable a medicine Yours, truly,

Baltinore, Feb. 9, 1852.

Misses. Mortimer & Mondbray: Gentlemen: It is with real pleasure that I am able to attest to the general healing and curative powers of Dr. Hampton's Vegetable Tincture. Sometime during last November I was taken with a very bad and serious cough. I was advised to take Cod-Liver Oil, and did so; but getting no better, I was induced to try your Tincture. I got one bottle, and before I had used it not not cough left me. Permit me also to state that, for the last fifteen years, I have suffered very much from Acute Rheumatism and Vertigo, confining me at times to my bed. I am rully convinced that I owe my present good health to the use of the Tincture, and a kind Providence.

You are, my friends, at liberty to use this as you may think proper; and believe me, yours, very respectfully.

THE ALMOST MITCHE OF OUR DATE TO SEE THE STATE OF THE ALMOST MITCHE OF OUR MOST PROPERTY OF THE STATE OF THE Messrs. Mortimer & Monthray: Genits: Last September I was attacked with crysipelas, from which a dreadful ulcor formed on my right leg. Getting better of this, last November I took a deep cold, which led to what my physician told me was billous pleurist, which left me with a constant, deeplyseated, and painful cough, having no rest day or night, and
constantly throwing up from my lungs a thick matter. I
became much emaciated, growing weaker every day, and
keeping my bed the greater part of the time. My friends
thought I had the consumption, and at times I was also of
the same opinion. At this stage of my disease, after having
tried many and various remedies, without success, a friend
advised me to try DR. HAMPTON'S VEGETABLE TINCTURE, and procured me a bottle, which I now pronounce
the greatest medicine I ever took. Before I had taken half
the contents of one bottle I felt much improved: and now,
having taken but two bottes, my caugh and pains have entirely left me, and I am enabled to attend to business. I
can truly say that, with the blessing of God, I have been
restored to the health I now enjoy by the use of this most
invaluable medicine.

Were there not real virtue in this wonderful medicine could it perform the astonishing cures made by it? NORTHAMPTON Co., April 13, 1852.

Messrs. Tyler & Adair: I have been afflicted with Rhea matism, at times, from my twelfth year; I will be fity years of age the 18th of this month; the attacks were at times so severe as to render me helpless; I have tried various remedies to very little effect. Last October I was attacked in my shoulders, sides, back, and hips; I could not rest, day or night; I could not move any part of my body without crying with pain; at this time I also tried many remedies, internal and external, without receiving any relief; I was at last advised to try HAMPTON'S VEGETABLE TINCTURE; before I had taken one bottle of which I felt much better, and as I continued taking it I felt strength coming into my back and Hmbs, and my stomach strengthened and revived every way; I have taken five bottles, and am much better than I ever expected to be. I intend to use it whenever I need it, and would recommend it to the afflicted, believing it unequalled.
